Continuation of Box 3:

1. The amendment filled on 08/21/08 is not entered into consideration, because in independent claim 12, Applicant has changed the transitional phrase from "comprising" to "consisting essentially of", thereby changing the scope of the claimed invention. Similar is true for claim 19. This change requires further search and/or consideration.

Continuation of Box 11:

2. With respect to Applicant's response, the response is not found persuasive because it relies on an amendment that is not entered into consideration.
